

Dear parent(s),  
each year we continue to develop our faith formation program to best serve the needs of our children. We incorporate new ideas and suggestions and tweak the programs in response to the feedback from teachers, students and parents. There are some significant changes this year. First off, in response to the requests of parents and young people alike, middle school youth group returns to being during the Sunday School time at 10:30a. Second, we're continuing to develop Sunday School classes - after the huge success of the 1st Grade Communion Class, we are now spending the year developing the pre-k/k class into a Baptismal Class and 4/5 will focus on Christ in the World: Mission, Service & Seeing God in Others. Another change in our program is to address the needs of families who travel, so on long weekends (from the BVSD calendar) we will have one large Sunday School class on those weekends and no youth group. Finally, I am sending you the calendar for the entire year so that you can better plan your schedule, however, this does not mean that special events won't come up later on in the year, particularly for our youth group, but I will do my best to notify you as soon as possible.

Our Faith Formation program will not run without your help. In order to maintain the standards for Safe Church we need parents to rotate through the classes in order that there is always two adults in each room. I've included a flyer about Safe Church in this mailing to help you understand the regulations of the church to help keep your children and our teachers safe. Please look over it and let me know if you have any questions. Sign up for assisting is found on the registration form. Registration forms are particularly important this year, as we are trying to evaluate the numbers of children in each classroom, so please fill it out and return it as soon as possible.

In addition to the great offerings for your children, there are excellent adult education classes this fall. Please be sure to check those out and consider attending. If you are interested in the Wednesday night classes, and think you will need childcare, please let me know, if we have enough people we will provide it. Childcare is available for the Sunday morning classes.

Please let me know if you have any questions. For ease of finding information, I have made special events or changes to the regular calendar blue. I look forward to seeing you and your child for Faith Formation this year!

Blessings,

The Rev. Heather L. Payton
